GMD 177	Web and Interactive Design	3 units
GMD 242	Graphic Design II	3 units
ART 124A	Drawing I	3 units
<b>Total</b>		<b>33 units</b>

## Program Description

The primary goal of the Associate in Arts Degree in Graphic and Multimedia Design is to provide students with a foundation of knowledge and technical abilities required for a position within the field of graphic and multimedia design. In addition to providing students with basic skills and competencies, course work is sequenced to facilitate transferability to an art or design program at a four-year university.

## Student Learning Outcome

Students will be able to demonstrate proficiency in the core skills and knowledge required for employment in a graphic and multimedia position.

## Two-Year Pathway to Completion
